

TAEKWONDO FOR STUDENTS!

Body Martial Arts has developed a program at Hickory Valley Christian School to offer an onsite basic Taekwondo program for your kids. This program is designed to save everyone time and stress in your busy schedules. The program is offered throughout the fall, as well as spring semesters. Martial arts can greatly improve your child's discipline, leadership, concentration and self-confidence. It's a great workout as well as a useful and interesting art form. Through this program students will learn Taekwondo with Judeo-Christian values. The teaching will focus on learning the martial arts while becoming more Christ like. Come let your kids enjoy and experience the martial arts!
