

October 3, 2011

Dear HVCS Parents, Grandparents, and other Friends,

We hope you had a wonderful summer, and we hope you have gotten off to a great beginning of the school year! It is difficult to believe that two months have already passed this school year.

Enclosed you will find a new brochure for our annual campaign as we kick off our "Ministry Partners" annual fund. Thank you to all who participated last year! I am pleased to say we raised \$30,000 last year through this campaign. We want you to know that we truly appreciate you! We are asking that you at least consider increasing your gift 25%. It will run from October 1, 2011-May 31, 2012.

We will continue to use the funds given to improve technology, curriculum, faculty development, and ways to enrich the programs for our students (including increasing our sports offerings and our global awareness program).

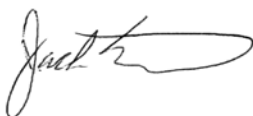

Please help us meet our goal of 100% participation! The size of the gift is up to you, and all gifts are greatly appreciated. The most important thing is to have as many participants as possible. That will ensure we can more effectively meet our goals.

If you will complete and return the perforated pledge card on or before October 31, 2011, we would greatly appreciate it. You may begin payment during any month.

Thank you so much!

For His Glory,

Jack Exum- Head of School
