

## Songs and Fingerplay

Here are some of the songs and fingerplays we're singing this month. It's also fun to just pantomime a flower growing from a seed (lie on the floor and curl up into a ball), to growing tall (slowly stand, raising arms), and finally blossoming into a flower (spread out arms, wave hands as petals). Remember to do this slowly; plants don't grow fast!

### **The Seed Song**

*(to the tune of 'Do You Know the Muffin Man?')*

Curl up like a tiny seed, tiny seed, tiny seed;  
Warm sunshine is what you need.  
Now you can start growing!

Drink the rain and start to rise, start to rise, start to rise;  
Stretch up tall, arms opened wide.  
Now a flower showing.

### **Growing**

Seeds are buried deep, deep, deep.  
In the sun they sleep, sleep, sleep.  
Yellow sun is bright, bright, bright.  
Raindrops falling light, light, light.  
Gentle breezes blow, blow, blow.  
Seed, the little seed, grow, grow, grow.
