Dear HVCS Families and Friends,

It is time to start planning for next year! Contracts have been sent out. Please return them to us by February 11 to secure your spot for next year. Financial Aid packets are available in the office if you would like to apply. Please keep in mind that it is only available for current students going into K5-5th grade. It is limited, so please apply early!

If you know anyone looking for a preschool or elementary school, please send them our way! We would love to give them a tour of the school. We have an Open House scheduled for Thursday, February 7th, at 6:30 pm. We will have fliers available in the office if you would like to pick some up to pass around - we would certainly appreciate some help advertising this event!

It is not too early to start thinking about the Silent Auction and Talent Show on March 8. If you have a child in grades 3-5, please encourage them to start thinking about an individual or group act they might want to do! Kids in grades K3-2 will be working on an act as a class. More information will be coming home soon. Parent Council will be meeting next Friday to begin planning for the Auction. There is no Circle next week, so the meeting will begin right after drop off.

Please note that Circle this week is at 10 am and will be in the Pit. Meteorologist Brian Smith will be our special guest. Hope to see you there!

God bless,

Emma
