Dear HVCS Families and Friends,

What a great time we had last Friday at the Auction/Talent Show! I am so grateful to all our HVCS families for your support.

Don't forget that next Wednesday, March 20, is our "Bring a Friend to School Day." If your child has a friend who might be interested in HVCS, they are welcome to join us for the day to learn more about our school. Please let us know and return your form by Tuesday if you have a friend coming to school, so that our teachers and Chef Derek can plan accordingly.

We are also starting a new school advertising campaign called "Why HVCS?" We want to invite each of you to share your story of why you chose HVCS. Here are some questions to consider: What made you decide HVCS was the right school to educate your child/children? What do you find unique about our school? Are there any teachers/staff that have inspired your family? What have you found as the biggest benefit(s) to choosing HVCS over other schools? How has your involvement in the school impacted your love for the school? What changes have you seen in your child/family as a result of attending HVCS?

Of course you don't have to answer all those questions, they are just some things for you to think about. If you are willing to participate, send your story to stories@hvcs.org along with your contact information and whether you would like to share your story on video. Thank you for helping share our wonderful school with the community!

Volunteers Needed!

Crystal Beene, mother of 2nd grader Christopher, is creating a Hickory Valley Task Force to help with security at HVCS. Volunteers would assist with responsibilities such as patrolling the parking lot during major school events. This is a great opportunity for dads who are looking for ways to volunteer at our school. Please contact Crystal at cabeene72@comcast.net or (423) 645-2451 if you are interested in helping.

Missing Library Books

Many students have overdue library books. Can your child search high and low for these at their homes and return the books as soon as possible? Thank you.
