Dear HVCS Families and Friends,

Walking through the gym yesterday, I was amazed at the Science Fair projects on display! I hope you all had a chance to stop by and look at them. I overheard several 5th and 3rd graders presenting their projects to their classmates; I loved hearing their excitement and pride in the work they had done. I know from my own experience that these projects require some parent help - buying supplies and helping kids with their poster layouts, and sometimes battling with kids to get their projects finished. Thank you all for supporting this amazing learning opportunity at home!

Thank you also for all the help with our Silent Auction/Talent Show. We are so thankful for all the donations that have been sent in. Just seeing all the items piling up, I am excited to start shopping. Students have been working hard on their Talent Show acts and are ready to provide some great entertainment tomorrow night.

If you have not yet turned in your contract for next year, please do so as soon as possible. We are already beginning to think about next year, and knowing the numbers for each class helps us to plan. Please call me if you have any questions or concerns about next year.

I look forward to seeing you all tomorrow night!

God bless,

Emma

Spirit Days

April 5th- Kentucky Derby Day- “Riders up”!

May 3rd - Star Wars Day- “May the 4th be with you”!
Dress up as any themed character from Star wars.

Volunteers Needed!

Crystal Beene, mother of 2nd grader Christopher, is creating a Hickory Valley Task Force to help with security at HVCS. Volunteers would assist with responsibilities such as patrolling the parking lot during major school events. This is a great opportunity for dads who are looking for ways to volunteer at our school. Please contact Crystal at cabeene72@comcast.net or (423) 645-2451 if you are interested in helping.

Lost and Found

Lost and found items are displayed on a table in the gym. Please take a look when you come by.
